## Manthous Mumblings

I want to start this column by thanking all of the members and non-members that helped with the Versatility weekend. They worked hard and long hours and they are appreciated. It was a HUGE success and a HUGE entry!! The Annual 2 day specialty and the 3 day Versatility Weekend are two major events that our club now sponsors and need specific attention and support by members to continue to be so successful. Thanks also to the NWSGA for their work and involvement with the co-sponsoring of the Memorial weekend event.

Upcoming club events is the match at Marymour Park this weekend, the Club picnic, and the 2 day Specialty. More information in this newsletter about the picnic. The Show Committee will have a meeting on July 2nd following whippet judging at Helen Brettell's house with a puppy viewing.

I had the opportunity to attend the Saluki Club of America Specialty Show in Lexington, Kentucky at the Kentucky Horse Park. It was an outdoor show with over 500 Saluki's in attendance from all over the US plus individuals attending from Venezuela and other parts of the country. The judge was from Australia. The vendors were set up in a former tobacco drying barn on the show site. I watched the obedience which was quite entertaining and the agility trials. Lure Coursing was also held on the grounds near by. At the same time in the Park was the Egyptian Arabian Horse Show and Steeple Jumping plus the Blue Grass Festival in the camping grounds. It was hot, hot, hot. Chris visited the thorough bred horse farms and visited the famous Cigar, John Henry, Dahoss. No big winning but we did make the "cut" in 12-18 mos old out of a class of 30 bitches.

It is getting near the date of Chris Downing and Chris Castillo's wedding — so if you don't see them you know they are in the heat of preparation for that big event in Las Vegas. Nancy De Chant is back from Germany and still trying to get into that new house. I hope we see her soon. We all got a chance to see the Sowards at the Versatility weekend and they are doing great!! Kathy Jones has moved back into the area and was at 60 acres also. She owns a Summit dog and is actively coursing him.

Take care and I hope to see you at the June meeting or at least at my house at the picnic for over eating and some good conversation. As Ever S.

## SUMMER NEWSLETTER

The next issue of the Newsletter will be a July and August issue. There is not a lot of club business during the summer except for the Specialty Show to be held on August 5th and 6th. The results of the Specialty show and the Hound Show will be posted in the Newsletter which will come out mid-August.

Any information will be due by August 5th for the July and August issue.

The newsletter is getting less than newsly as the results of the events are posted immediately on Whippet Talk so individuals subscribing to that group know before the members.

Most frustrating for me is getting information from members on events in a timely manner. I feel like a nagging "mother in law" reminding and asking folks for information.

At the next couple of meetings, the membership needs to have a conversation about the newsletter. I am planning to retire in November so I will have more time for the newsletter if members are still interested in having it. I sometimes feel like its not important anymore as a vehicle of communication or education. Most people are getting stuff off the web or from talk groups. I need a reality check on that. If I need to pass it on to someone else — just say so. I won't be offended. The next person will have the same issues I do re: contributions, information from chair people & follow through by members. Susie.

## SPECIALTY WEEKEND Auction Baskets!

Time to kick those auction donation ideas into high gear! I have a very limited number of items currently. If I can get each of you to purchase/donate a few small things off the list below, and bring them to me by the July meeting, I'll assemble them into theme baskets/packages. This way you can donate several smaller items that will end up part of a larger item. I have bits and pieces for each of these themes, but we have a ways to go. Don't be afraid to duplicate something that someone else might bring, I'll work it out. Choose a few items from the following list and put them on your own shopping list. If you prefer, you can bring me cash and I'll shop for you!

Coffees      Teas      Cocoa  
Small packages of cookies (Pepperidge farms size or smaller)  
Non-perishable creamers  
Honey      Wine (even sample size)      Cocktail in a bucket kits  
Plastic wine glasses      Champagne      Wine charms      Twizzler sticks  
Wine Opener      Your favorite chocolate  
Notecards      Fancy post-it notes      Fancy notepads  
Muzzle      Slip Lead      Catch collar      Vet Wrap  
Spray bottle      Chalk      Tacky Paw      Cool Cloth  
Show Lead      Pantyhose      Candles      Bath salts  
Bubble Bath      Lotion

Anything like these things! These are just ideas to make it simple for you. Of course, I'll accept anything you want to donate. Auction items are needed for the Specialty Show. This is one of the Clubs fundraisers and we need members support and assistance in donations of items. Bring them to the June meeting or the July picnic. Thanks for helping! --Kerie

### Western Washington Whippet Club Membership Meeting May 25, 2005 Tony Roma's Restaurant

Those in attendance: Aaron & Kerie Swepston, Bill & Diane Davenport, Janis Castle, , Marla Maislin-Dietrich, Albin Gersich, and Scroggins' as guests. The President was unable to attend due to receiving a life time achievement award from the Washington State Association of Senior Centers. There was not a quorum.

**Treasurer's Report** – Janis presented the treasurer's report including the preliminary results from the April lure coursing meet. It looks like the meet will turn out to be profitable.

**Correspondence** – No correspondence

#### **Committee Reports** –

**Hospitality** – The Annual picnic is scheduled for Sunday July 19 at Susi Manthou's house beginning at 1 PM. The club will supply hot dogs and hamburgers. The rest will be potluck according to the letter that your last name begins with. A-K – please bring a side dish, L-Z please bring a dessert.

**Property** – The Bike – For the Versatility weekend, our bike will be used primarily with the NWSGA bike as back-up. Their bike has as many problems as our bike does. To repair our bike would cost more than our bike is worth. We have a few options that the club will need to begin to consider:

- Buy a new bike
- Rent a bike
- Someone from the club buy one personally, & the club rent it from them for trials.
- Someone loan the \$ to the club to buy a bike
- Promote fundraising specifically for buying a new bike

**ASFA Lure Coursing** – Versatility meet at 60 acres this weekend (at the time).

**Show Committee** – The premium should be coming out in the next week or so. The committee is soliciting trophy donations before July 1 so that they can make it in the catalog.

**Ways and Means** – We will be silent auctioning one day at the versatility weekend. We'll take donations on site. There is not much to put up, and will save some to make sure there is some for the specialty weekend.
