Bill's Banter

Dear Members, There have been a lot of events since we last visited as we are now in the busiest months of the year for whippet owners. In the conformation ring we have had shows in Lynden, Spokane, Yakima & Puyallup. In the field there have been our huge Versatility Weekend, the ASFA II, a double NOTRA in Goldendale, a double NAWRA in Abbotsford, and this weekend a ASFA meet in Spokane & racing in Oregon. I have not attended all these events, but I was at the Versatility Weekend in Centralia and must say that it was a very well run event. Kudos to all for the hard work that made it so enjoyable. It was nice to see a decent turnout and wonderful to be back on our Memorial Day Weekend. Also congratulations to all the winners of the previously listed events.

I would be attending our fun match today except that Enya has been walking around on three legs since I got home from work Friday. And, the soonest I could get her in to the vet is of course during the fun match. I know it will be fun and I hope it stays somewhat dry. I am looking forward to getting back in the ring at Mount Vernon at the end of the month and hope to see many of you there.

Take Care, Bill

Trophy Donations!

HELLO to WWWA Whippetees!!!! Having volunteered for the job of trophy chair for our upcoming WWWA Specialties and Obedience Trial, I would like to invite any and all of you to donate to the cause. The trophies for the first day, Friday, August 3rd, are the very handsome and useful harness leather leads and collars from Bolduc Custom Leatherworks; and for Saturday, August 4th, they are gorgeous and most decorative stained glass pieces with Whippet motifs created by Chris Durance-Watkins, Cherche Stained Glass. Let me know if you have a preference as to award or class and I can tell you about availability and cost. And of course, donations to the general fund are always welcome as well.

Rescue Corner

Jamie's story: released to the Spokane shelter by her breeder at 14 months old, she was adopted by an elderly woman who has had her for about 7 years. This woman loved animals but, perhaps got a little carried away with 9 dogs and 30 cats. Animal control made her cut down to 3 dogs and 10 cats a year ago and then last month her husband died. Jamie was her husband's dog and she was/is devastated. The owner fed Jamie only cat food, hot dogs and chicken treats. The owner turned her over to rescue and Jamie bonded super quickly and very strongly to us here, sleeping under my feet, leaning on my legs when I stand and pressing her nose to the back of my legs as I walk around.

UPDATE: Thanks to Christine who referred "Blaze" to us. Blaze is 11 months old, fawn and white and was purchased from our local Or. puppy mill. He was not working out well with his new owner of 2 months. He was brought here and fit in super well in my house. What a nice dog. Played well with my youngsters, housebroken and just a nice all around boy. Found him a home with a wonderful family that just fell in love with him. In fact, we decided they needed 2! So, they took the other rescue I had here (WRAP) Jamie a 7 year old female. They can't believe how great the dogs have been! They are SO incredibly happy with them both. Their names have been changed to Cleopatra (Cleo) and King Tut (Tut). They report Tut is too busy to get into any trouble!

WWWA Brags!

Rumba resting on her laurels...

Photo courtesy of Debbie La Monica

Debbie La Monica brags: On Saturday, May 19, in Chilliwack, BC, Canada, **Rumba** (Vivace a Little Rumba Numba), shown by Grandma Linda Buchholz, was WB/BOW/ Best Puppy, and Best Puppy in Hound Group(3 points). On Sunday, May 20, at the supported entry, or "Booster" **Rumba** was again WB/BOW, Best Puppy, and Best Puppy in Hound Group, This finished her Canadian Championship from the 6-9 month puppy class! Daddy **Bongo** was BOB and Group 1 on Sunday. It was a Whippet Sweep of the Hound Group! **FLASH!!!** On Sunday, July 1, at the Bell Vernon Kennel Association show in Mount Vernon, **Rumba** was Winner's Bitch from the 9-12 puppy class for a 3 point major. It was her first time being shown in the US.

Laurel Wilks brags: At the NWWW in a field of very fine running dogs **Cayman** got a 3rd place to finish her LCM 7. There is only one other Sighthound in our region to do this, and there are no other rescue dogs with an ILP to ever do this. In the last 4 years she has developed a fear of riding in the car which has limited us to very local trials. Thanks for listening to my brag about my little rescue girl: MBIF FC Cayman Island Rescue LCM 7.

Jo Sowards brags: Glen and I have never, and I mean never had a weekend like this in our history of whippet owners. I would like to especially thank Tony Lewis of Lyth Whippets for giving us the opportunity of breeding to his wonder dog **Walker** and providing us with the 'Sun Litter'.

June 2nd International Invitational - **Ember** (LythWindwalkerXJammin Tea'@ Shadow Run) won Best Of Breed

June 2nd WRAG's Double NOTRA in Goldendale - Shadow Run Black **Bart** won a 3rd place for 4 ORC Points.

June 3rd International Invitational - **Ember** won the Best Of The Best

June 3rd WRAG's Double NOTRA in Goldendale - Shadow Run **Solar** Eclipse won the meet taking 1st place for 3 ORC points and 3 SORC points.

June 3rd WRAG's Double NOTRA in Goldendale - Shadow Run Black **Bart** won 4th place for another ORC point.

Shadow Run **Jesse** James finishing in the top ten too.

Sue Hopper brags: **Taz** started his racing career in March 2007 and we have been having quite a fun time. At the end of April he was close to the top 10 each time, but not quite there yet. He finally made it May 6th in Abbotsford placing 10th out of 44 whippets - and this was NAWRA! I more expected him to do it on the oval. Back in Abbotsford on May 12th he cracked the top 10 again, placing 10th out of 45 on the oval. That brings us to the Northwest Versatility Weekend. On Saturday he placed 13th - running in the semi twice. Sunday he ran very well never placing lower than 2nd in any race. he ended up in 9th place taking home one of the coveted necklaces made by Debbey Bartos. This was after he ran away between the 1st and 2nd programs - and ramming full speed into Don Cranshaw's leg in the 4th program. Both of these incidents were very scary. We headed over to Goldendale for the inaugural WRAG meet at the Sowards on June 2nd. It was a very tough day for both humans and dogs due to the heat and track surface. This was the first time he made strong moves to the rail rather than pulling up and trying to go wide, so I was more than pleased with his progress. The day was shortened to 3 programs and **Taz** ended up 8th out of 36 hardy whippets. I couldn't be happier with this little brindle guy and hope to have more fun as time goes by.

Beth Levine brags: **Tiercel** (Serendipity Nighthawk, OTR) had a great Versatility Weekend, finishing 14th in the 40 dog NOTRA and winning the conformation match. He finished 6th in the overall versatility standings! **Tiercel** is currently ranked #19 in the ASFA top 20 in very limited running! We had a fantastic trip to Minnesota at the end of June to attend the annual CWA fire cracker race meets. **Levi** finished his ARX and is now Serendipity Road Runner, ARX, CanFCH. **Tiercel** was the bridesmaid both days. **Lark** (Serendipity Skylark) was second in the conformation match both days and is currently ranked #1 in CWA's national conformation standings! The folks in the upper Midwest were incredibly welcoming and hospitable, and I had the time of my life.

6th Annual Northwest Versatility Weekend NAWRA — Saturday, May 26, 2007

The sun was shining on the start of our 6th Annual Versatility Weekend. This year we had a new field in Centralia, WA. 68 dogs came out for the NAWRA/LGRA. In the end, the top dog of the day was Stuart with Crotalus a close second. Best Opposite was PD. Middle of the pack, NIMBY took home the comfy cheetah bed & our most - appreciated sporting a new embroidered turtle walking lead & their own personal pillow was Cherry. Three nice running puppies showed their stuff with Cochiti taking best puppy & Calypso best opposite.

**6th Annual Northwest Versatility Weekend
 NOTRA WHIPPETS – Sunday, May 27, 2007**

The 2nd day of the 6th Annual Versatility Weekend saw 63 hounds hit the oval. It had a challenging hill after the first & second turns—but in the end - the top hound in Whippets was Jitterbug. Middle dog was Slick & our most appreciated was Lark. In Greyhounds, Charis dominated the track & in the IG's Karl was Top Dog of the day. Basenjjs saw the strong and steady Cairo go home with the win. Two newcomers in Borzoi ran some very competitive races - in the end Isabelle held off Hobson for the win. In IB's Siegfried ran undefeated for another strong win.

"Eddy"

October 28, 1994 – May 14, 2007

An endearing friend and companion that never complained, took up issue with anyone or had a bad day. He never missed a meal and always was ready for playing ball, lure coursing, and greeting friends.

We have such a heavy heart. Chris and Susan Manthou

Tips & Tricks

Just for the good of the order... Target has prescriptions for many of the meds we use on our dogs. They are \$4.00 for 30 pills. I started getting my vet to call them to Target for Hayley who is on heart meds and for Rory who is on thyroid pills. But remember \$4 for 30 pills is not always the same as a month supply if you are giving two per day or 1/2 per day.

Either way, what a deal, I have the list of meds if anyone is interested.
