## Entries and Fees

Please send entries to the event secretary listed on each entry form. We are happy to offer electronic entries and payment for ALL four events! Please read the following instructions carefully.

For the racing events and the conformation match, you may type up all the information requested on the individual entry forms in a regular email to the event secretary listed on the entry form. It is not necessary to scan or attach the actual entry forms for the racing events and conformation match. Payment for the racing events and the match is not required in advance; if you email your entries by the early entry deadline, you are welcome to pay your fees at the pre-entry price the morning of the event.

For the ASFA trial only, please see the special instructions in the ASFA premium list. ASFA pre-entries must be paid by the pre-entry deadline. ASFA has strict requirements about entries, and that is why the procedure is different for ASFA entries than for the other events. Thanks for your cooperation!

Electronic payment may be sent via paypal to [paypal@wwwwhippet.org](mailto:paypal@wwwwhippet.org). Credit and debit card payments gladly accepted, but you must agree to pay the paypal fee. See the ASFA premium list for detailed instructions on how to submit your payment so that WWWA does not incur any paypal fees.

All checks should be made payable to WWWA. If you wish, you may write one check for all events and enclose it with your ASFA entries, with a note explaining what you're paying for. You may also combine all entry fees in one paypal payment, again, with an explanation of your payment.

Questions? Contact Beth Levine at [serendipitywhippets@gmail.com](mailto:serendipitywhippets@gmail.com) or 425-609-1887. All questions WILL be answered promptly!

## Versatility Scoring

Special prizes will be awarded at the conclusion of the ASFA trial for the highest ranked hound in each breed entered in all four areas of competition:

Sprint Racing (NAWRA *or* LGRA *or* ISWS)

*and*

Oval Racing (NOTRA *or* ISWS)

*and*

Lure Coursing (ASFA)

*and*

Conformation Match

Any hound may be entered in any event or combination of events, but only hounds that compete in all four areas of competition will be eligible for Versatility awards. To be eligible, hounds must complete all four events, without dismissal or disqualification. Hounds scratched from any event, for any reason, are ineligible for Versatility awards.

**SPRINT:** Each hound competing in either the NAWRA or the LGRA is ranked by its order of finish in the final results relative to other Versatility competitors.

**OVAL:** Each hound competing in the NOTRA is ranked by its order of finish in the final results relative to other Versatility competitors.

**MATCH:** For the conformation match, Versatility entrants will compete in a separate class (divided by breed but with males and females competing together), which will be ranked from top to bottom.

**ASFA:** Each hound competing in the ASFA trial is ranked by total score (total of prelim + final), regardless of stake. For example:

Open stake (score):

Rank 1 dog A 303

Rank 4 dog B 297

Rank 5 dog C 295

FCH stake:

Rank 2 dog D 299

Rank 3 dog E 298

Rank 7.5 dog F 290

Veteran Stake:

Rank 6 dog G 292

Rank 7.5 dog H 290

Rank 9 dog I 285

For the tied scores, the ranks are averaged, e.g. the 7 and 8 ranks above are averaged at 7.5.

**VERSATILITY:** Each entrant's ranks from the four events will be summed. The hound with the **LOWEST** score in each breed will win the Versatility award for that breed. For example, a perfect score, earned by the highest ranked dog in each event, would be a 4.
